Overview

Dr. Shweta Premchand is an accomplished Paediatrician with over 12 years of experience in providing comprehensive healthcare services to children. With her vast knowledge and expertise in child health, newborn care, extreme pre-mature babies, adolescent paediatrics, and immunization/vaccination, she has become a trusted name in the field of Paediatrics. Dr. Sweta's dedication to her profession is evident from her specialized fellowship in Neonatal Intensive Care Unit, which has further enhanced her skills in handling all paediatric emergency and neonatal emergencies. Along with her medical education and training, she has also completed her graduation in Management Studies from London Metropolitan University, United Kingdom, which makes her a unique blend of clinical and managerial skills. As a lifetime member of the India Academy of Paediatrics and the National Neonatology Forum of India, the doctor is committed to providing the best healthcare services to her patients. Her compassionate and patient-centric approach towards her patients has earned her a reputation as a trustworthy and reliable paediatrician. Dr. Sweta Premchand believes in working closely with parents and caregivers to ensure the optimal health and well-being of their children. She creates a comfortable and friendly environment for her patients and also builds strong and lasting relationships with them and this is what makes her one of the Best Paediatrics and childcare specialists in Brookefield.
