

DR. SUDIP CHOWDHURY

Consultant - Paediatrics

Qualification

MBBS | Diploma in Child Health (DCH) | Membership of Royal College of Paediatrics & Child Health MRCPCH(UK) | Edward Jenner Fellow(UK)

Overview

Dr Sudip is a specialist in the field of paediatrics with skills in treating diseases related to children. He is a Pediatrician with SPIN (Special Interest) in Childhood Diabetes & Endocrinology. Sudip specializes in General Pediatrics, Neonatology and Pediatric Diabetes in which he has been extensively trained in the United Kingdom for the last 7 years. He has worked with cross-functional clinical teams in well-performing NHS trusts to deliver optimum patient outcomes. Besides being a clinician, Sudip has an interest in the changing healthcare paradigms globally and the evolution of modern healthcare services in the NHS and globally. He is competent to work as a dedicated Pediatric Consultant with diabetes and Endocrinology as a sub-speciality. Dr. Sudip Chowdhury is one of the best Paediatrist in Gurugram. He coordinates the care of the newborn immediately after birth and is skilled in the resuscitation of the newborn. Providing post-operative care to children after surgical procedures, renal replacement therapy, inserting arterial and venous lines and initiating mechanical ventilation for all ages in children are some of his skills. He has excellent skills in the care of critically ill newborns and children, exchange transfusions, care of low birth weight and premature babies
