

## DR. CHANDAN SAURAV MAHAPATRO

Consultant - Interventional Cardiologist

### Qualification

MBBS | MD(Medicine) | DM(Cardiology)

### Overview

Dr Chandan Saurav Mahapatro is a highly skilled and experienced Consultant Interventional Cardiologist specialising in interventional cardiology. With over 8 years of experience in the field, Dr Mahapatro has made significant contributions to the medical community through his expertise and dedication to patient care. Dr Chandan Saurav Mahapatro pursued his medical education at renowned institutions in India. He completed his MBBS from MKCG Medical College, Berhampur, Orissa, in 2006. He obtained his MD in General Medicine from SCB Medical College, Cuttack, in 2012. Driven by his passion for cardiology, he pursued DM in Cardiology from the same institution in 2015. As a consultant at Manipal Hospitals in Hebbal, Bangalore, Dr Mahapatro provides comprehensive care and treatment to patients with various cardiac conditions. His primary field of expertise lies in interventional cardiology, where he employs advanced techniques and procedures to diagnose and treat heart diseases. No wonder he is considered one of the best cardiologists in Hebbal, Bangalore. He is well-versed in multiple languages, including Odiya, English, Hindi, Kannada, and Telugu. This linguistic proficiency allows him to effectively communicate with patients from diverse backgrounds and ensure they receive personalised care. Throughout his career, Dr Chandan Saurav Mahapatro has been recognised for his exceptional skills and dedication to his profession. He has been associated with prestigious medical organisations, including the CSI Odisha. His commitment to staying updated with the latest advancements in the field is evident through his participation in various conferences and publications. He has presented papers at conferences such as APICON, CSI, INDIA LIVE, and ESC (selected). Dr Mahapatro has also contributed to disseminating medical knowledge through talks and publications. One notable instance was when he, along with Dr Saikat Kanjilal and Dr Pramod V Satya, provided insights on singer KK's demise due to a cardiac arrest. They explained how to recognise the risk factors for heart disease, emphasising the importance of awareness and early intervention. With his extensive range of services, Dr Chandan Saurav Mahapatro ensures comprehensive cardiac care for his patients. His services include peripheral angiography, ambulatory blood pressure monitoring, hypertension treatment, angiogram, TAVI (Transcatheter Aortic Valve Implantation), and many more. Dr Mahapatro is a member of the Karnataka Medical Council, which further underscores his commitment to upholding professional standards and ethics. He continues to enhance his skills and knowledge through continuing medical education and research. Dr Chandan Saurav Mahapatro is a highly qualified and experienced Interventional Cardiologist dedicated to providing excellent cardiac care to his patients. With his expertise in interventional cardiology and his commitment to staying updated with the latest advancements in the field, he plays a crucial role in diagnosing and treating heart diseases, improving the overall well-being of his patients.
