

DR. DIVYA SHREE J

Consultant - Pulmonologist

Qualification

MBBS | MD (Pulmonary Medicine)

Overview

Dr. Divya Shree J is a highly certified and experienced Consultant Pulmonologist at Manipal Hospital, Jayanagar, who specialises in the diagnosis and treatment of different respiratory illnesses. With her considerable education and skills, she has made major contributions to the science of pulmonology, notably in the areas of sleep disorders, bronchoscopy, and pulmonary function testing (PFT). Dr. Divya Shree J earned both her MBBS and her MD in Pulmonary Medicine, giving her a solid foundation in medical knowledge and clinical abilities. She has a wide range of experience, including the treatment of both common and difficult sleep problems. She has had specialised sleep problem training at BJ Medical College Ahmedabad and St. John's Hospital Bangalore, which has improved her capacity to identify and treat illnesses such as sleep apnea, insomnia, and narcolepsy. She has been involved in various research activities and has presented her findings at prestigious conferences such as NAPCON 2015 and NATCON 2015. Her commitment to advancing medical knowledge is evident through her participation in academic events like Pulmokarn 2019, where she presented a critical appraisal of a paper. In addition to her clinical work, Dr. Divya Shree J has actively contributed to the medical community through her publications and presentations. She was part of the Bedaquiline Study on DR-TB patients at BJ Medical College Ahmedabad, highlighting her dedication to improving treatment outcomes for tuberculosis. She has also participated in important public health initiatives, such as the RNTCP Zonal Task Force during the Swine Flu outbreak of 2015. For the same reason, she is considered the best pulmonologist in Jayanagar, Bangalore. Dr. Divya Shree J also has vast expertise in bronchoscopy, which is a technique used to visualise and analyse the airways for various respiratory disorders. She obtained extensive bronchoscopy training at BJ Medical College Ahmedabad, allowing her to do this technique safely and successfully. She has also actively participated in conferences and seminars, keeping her knowledge and abilities in this subject up to date. Dr. Divya Shree J's expertise also extends to the management of obstructive and restrictive lung diseases, pulmonary infections, pleural pathology, pulmonary vascular disorders, and interventional pulmonology. Dr. Divya Shree J's proficiency in ultrasound-guided procedures, including lung biopsies, aspirations, and ICD (Implantable Cardioverter Defibrillator) insertions, further demonstrates her skill set as an interventional pulmonologist. Her expertise also encompasses advanced techniques such as EBUS-TBNA/TBLB (Endobronchial Ultrasound-Guided Transbronchial Needle Aspiration/Transbronchial Lung Biopsy) and medical thoracoscopy. Dr. Divya Shree J has established herself as a renowned and trustworthy pulmonologist due to her extensive knowledge, great clinical abilities, and devotion to patient care. Her contributions to the area of pulmonology, both clinical and academic, make her a vital addition to the medical community.

Field of Expertise

- Sleep disorders
- Bronchoscopy
- PFT
- Obstructive lung disease
- Restrictive lung disease
- Pulmonary infections

- Pleural pathology
- Sleep medicine
- Pulmonary vascular disorders
- Ultrasound USG and guided procedures
- Interventional pulmonology
