

DR. RAMESH T S

Consultant - Minimal Access Surgery

Qualification

MBBS | DNB (GEN SURGERY) | MRCS (U K) | FMAS | FICS

Overview

Dr. Ramesh T S is a highly skilled and experienced consultant in minimal access surgery, currently working at Manipal Hospital in Jayanagar, Bangalore. With an impressive list of qualifications and extensive experience in the field, he is regarded as an expert in laparoscopic surgeries involving abdominal and non-cardiac thoracic procedures, with a special interest in laser anorectal surgeries. Dr. Ramesh T S holds multiple qualifications that reflect his dedication to the field of surgery. He completed his MBBS from Jagadguru Jayadeva Murugarajendra Medical College (JJMMC) in 1996. He then pursued DNB in General Surgery from the DNB board in New Delhi in 2005. He further enhanced his expertise by obtaining MRCS (UK) from the University of Edinburgh in the same year. Additionally, he has acquired FMAS (Fellowship in Minimal Access Surgery) and FICS (Fellowship of International College of Surgeons) certifications. As a consultant, Dr. Ramesh T S specialises in various surgical procedures, including laparoscopic surgeries involving the abdomen and non-cardiac thoracic region. His expertise extends to thyroid swelling, hernia repair, colorectal, trauma, and minimal access gynaecological surgery. Dr. Ramesh T S is fluent in several languages, including English, Hindi, Kannada, Tamil, Telugu, and Malayalam, enabling him to communicate effectively with patients from diverse linguistic backgrounds. This linguistic versatility fosters better doctor-patient relationships and ensures a smooth flow of information. Besides his clinical practice, Dr. Ramesh T S actively participates in the medical community through talks and publications. He has been featured in Healthshots, where he shared valuable insights into the causes and symptoms of haemorrhoids. His contributions help educate the public and promote awareness about various health issues. Throughout his career, Dr. Ramesh T S has gained significant experience working in various hospitals, including Rajanandini Hospital, Diavista Hospital, Kusuma Hospital, Ring Road Hospital, and Sri Sai Ram Hospitals. These professional experiences have honed his surgical skills and exposed him to diverse cases. The Association of Surgeons of India, The Surgical Society of Bangalore, The Royal College of Surgeons of Edinburgh, The Association of Colon & Rectal Surgeons of India, and the Association of Minimal Access Surgeons of India (AMASI) are just a few of the prestigious medical groups that Dr. Ramesh T. S. belongs to. His dedication to continuing his professional growth and learning about new developments in the industry is evidenced by these memberships. With a Karnataka Medical Council registration number of 45119 since 1996, Dr. Ramesh T S adheres to the best standards of ethics and medical practices. He has also completed specialised training programs, including a Fellowship in Minimal Access Surgery conducted by the Association of Minimal Access Surgeons of India in 2013 and a Fellowship of Association of Indian Surgeons (FAIS) granted by The Association of Surgeons of India in the same year. Dr. Ramesh T S's impressive qualifications, extensive experience, and dedication to his field make him a highly respected consultant in minimal access surgery. Patients can rely on his expertise and compassionate approach to receive the best care for their surgical needs. For the same reason, he is considered one of the best general surgeons in Jayanagar, Bangalore.
