

DR. ANAND DOTIHAL

Consultant - Medical Gastroenterology

Qualification

MD (Medicine) - PGI - Chandigarh | DM (Gastroenterology) - GB Pant Hospital Delhi University

Overview

Dr. Anand Dotihal is a well-known gastroenterologist with a rich experience of over 29 years, and currently, he works at Manipal Hospital on Old Airport Road in Bengaluru. He has received fellowships from the Indian Society of Gastroenterology and the American College of Gastroenterology. He is also a member of the Medical Council of India (MCI) and practises evidence-based medicine. Dr. Dotihal's field of expertise includes endoscopy and endoscopic ultrasound, endoscopic ultrasound and surgical endoscopies like Poem/ESD, and management of GI disorders. He completed his MBBS from Gulbarga University in 1994. Dr. Dotihal's educational credentials are excellent as he earned his MD in medicine from the PGI in Chandigarh and his DM in gastroenterology from the G. B. Pant Hospital of Delhi University. These prestigious affiliations indicate his dedication to being on the cutting edge of innovations in his area. He is a foremost consultant gastroenterologist in Oldairportroad, Bangalore. Dr. Anand Dotihal is proficient in the treatment of colitis, liver damage from alcohol, rectal bleeding, gas-bloat syndrome, dehydration, anal or rectal pain, diarrhoea, gastric ulcer, oesophageal diseases, acute gastritis, diverticulosis, abdominal disorders, Barrett's oesophagus, ulcerative colitis, abscess, inflammatory bowel disease, colon cancer, cholelithiasis, celiac disease, colon polyp, gastrointestinal malabsorption, heartburn, haemorrhoids, pancreatic disease and non-alcoholic fatty liver disease. He is conversant in multiple languages, including Hindi and English, allowing him to communicate effectively with patients from different backgrounds. Dr. Dotihal's knowledge of liver illnesses has gained him the trust of innumerable individuals seeking liver therapy. He is an active participant in a variety of community awareness programmes aiming at teaching the public about liver problems and other health risks. Furthermore, he has helped teach young aspiring gastroenterology professionals, making him a pioneer in developing fresh talent. For the same reason, he is considered one of the best gastroenterologists in Bangalore. Aside from his exceptional medical skills, Dr. Dotihal is well-known for his compassionate attitude to his patients. He believes in treating each individual with compassion and empathy. Dr. Anand Dotihal has handled numerous complex medical procedures such as liver biopsy, hydrogen breath test (HBT), percutaneous endoscopic gastrostomy (PEG), endoscopy (oesophagus, abscess or cyst drainage or aspiration, flexible sigmoidoscopy, small intestine). Dr. Anand Dotihal's goal is to provide complete service to the local community by adopting a proactive approach to the health and well-being of patients seeking gastroenterologists. He believes that being a healthcare professional is a great honour and that every patient's involvement helps make a significant impact in their lives as a person and as a community. Dr. Dotihal's outstanding attention to detail enables accurate diagnoses and successful treatment programmes for his patients. Overall, as a successful gastroenterologist, he is known for treating complex medical cases, providing accurate diagnoses, and treating his patients with empathy.
