

DR. G S NAGARAJA PRABHAKAR

Consultant - Anaesthesiology

Qualification

MD (Anaesthesiology) | (PGIMER)

Overview

Dr. G S Nagaraja Prabhakar is a widely renowned specialist in the field of Anaesthesiology. The physician has 12 vast years of extensive expertise to his name and is presently serving as a consultant of anaesthesiology at the Manipal Hospital Old Airport Road, Bangalore. With a highly decorated career, the doctor has earned himself the badge of being one of the best anaesthesiologists in Bangalore. He is renowned for his attention to detail, precise diagnosis, and compassion while dealing with patients. He has successfully handled numerous challenging medical situations and is known to be an incredibly trusted name in complex cases. The doctor's core competencies are in both neuro-anaesthesia and anaesthesia for liver transplants. While the mentioned procedures are highly complex, the doctor has gained immense control over both. He is renowned for his attention to detail, precise diagnosis, and compassion while dealing with patients. Dr. G S Nagaraja Prabhakar also is a member of several prestigious and prominent medical organisations. He is a life member of organisations such as the Indian Society of Anesthesiologists (ISA), the Indian Society of Neuro-anaesthesiology and Critical Care (ISNACC), and the Indian Society of Palliative Care. The doctor is proficient in several languages, such as English, Kannada, Telugu, Hindi, and Arabic. This ability to communicate in so many languages enables him to communicate fluently with patients from vivid backgrounds and understand their exact problems and concerns.
