

DR. MANJUNATH D R

Consultant - Anaesthesiology

Qualification

MBBS | MD (Anaesthesia)

Overview

Dr. Manjunath D R is a well-known, experienced, and highly-skilled specialist in anaesthesiology. He is currently serving at the Manipal Hospitals, Old Airport Road, Bangalore as a consultant of anaesthesiology. The doctor has an MBBS and an MD specialising in anaesthesia. While he excels in his technical knowledge and skills, he is also known for being understanding and showing compassionate care toward his patients. In his vast career, he has efficiently and successfully dealt with numerous cases which were severe in nature and is hence considered one of the best anaesthesiologists in Bangalore. The doctor's successful career can be understood even better by the way in which he has been a member of highly prestigious medical bodies in India. He holds memberships from many respected organisations, such as the Indian Society of Anaesthesiologists (ISA) and the Indian Medical Association (IMA). With his valuable work, he has the identity of being a very important member of the fraternity of anaesthesiologists in Bangalore. Dr. Manjunath D R specialises in the medical department of Ultrasound-guided Peripheral Nerve Blocks. Among many other core competencies of the doctor, the mentioned speciality is the most prominent one. He is also proficient in languages such as English, Hindi, and Kannada. This makes him able to communicate with a variety of people from different backgrounds and communicate efficiently with them.
