

DR. SATISH BABU K

ENT Consultant

Qualification

MBBS | DLO | MS (ENT)

Overview

Dr Satish Babu is a specialist in ENT with vast experience in surgical and medical management of diseases of the ear, nose and throat and also related head and neck areas. He is adept in management of disorders of the upper pharynx, oral cavity, larynx or voice box, ear, nose, nasal passage and face and neck. His expertise in management of the following is well known: Micro Ear Surgeries for impaired hearing / deafness, discharging ear, vertigo, facial paralysis and tumours. Endoscopic Nasal / Sinus Surgeries like FESS (Functional endoscopic sinus surgery), chronic sinusitis, allergic sino-nasal polyposis, fungal sinusitis/granulomas, tumours, pediatric sinusitis / polyposis and Balloon sinusoplasty. Advanced Endoscopic Surgeries for CSF rhinorrhea, thyroid orbitopathy, optic nerve decompression, DCR and anterior skull base tumours. Septo-Rhinoplasty (Cosmetic surgery of the nose). LASER Assisted Surgeries like Tonsillectomy, tympanoplasty (ear drum surgeries), stapedotomy, turbinoplasty and UPPP (uvulopalatopharyngoplasty) for snoring. Micro Laryngeal Surgery: for vocal nodules and polyps, voice disorders and thyroplasty for vocal cord palsy. Head and Neck surgeries: on thyroid, salivary glands, skull base tumors. He is a professional who values ethics, practices evidence-based medicine, and follows international and national protocols in patient management. He is working as an ENT doctor in Sarjapur, Bangalore at Manipal Hospitals.
