

DR IYER KAMLAM GOPALKRISHNAN

Consultant - Clinical Child Neuropsychologist

Qualification

Master of Science - Clinical Psychology | MPhil - Clinical Psychology | PhD - Psychology

Overview

Dr Kamalam is a licensed clinical psychologist with 18 years of experience. I deal with almost all modern-day child and adolescent clinical disorders/mental health problems to intervene successfully. Her journey with psychology began with her undergraduate degree, majoring in psychology. She was ranked 2nd at the University of Pune. Further specialization in clinical psychology at the Master's degree gave her a sound understanding of abnormal psychology, where I ranked 1st at the University of Pune. Delving into my MPhil in Clinical Psychology has made her the professional that she is today. Graduated with the "Best Outgoing Candidate--- Gold Medal Of The Year" award from Kasturba Medical College, Manipal, and obtained her license from the Rehabilitation Council of India (RCI). Under my advisor and mentor -- Dr S. Venkatesan, Professor, Department of Clinical Psychology, All India Institute of Speech and Hearing (AIISH), Mysore, her tutelage assimilates that clinical practice needs refinement with continuous reading and research. The pursuit of neuropsychological research on children and their parents has enabled her to achieve a doctoral degree in Psychology. She is currently certified in Pivotal Response Treatment, an ABA training from the Koegal Centre for Autism Help, Santa Barbara, USA. She is a Professional Life Member (PLM) of the Indian Association of Clinical Psychologists (IACP).
